2008 Environmental Penalty Annual Report

Grand Total Amount of Environmental Penalties in 2008

\$69,583.40

How to read the 2008 Annual Environmental Penalty Report:

Company - Name of the company to whom the Environmental Penalty order was issued
Sector - One of nine industrial sectors regulated by the Municipal-Industrial Strategy for Abatement (MISA) regulations
Site Address - The address at which the company's facility is located
Site Municipality and Tertiary Watershed - The municipality and tertiary watershed in which the company's facility is located
Violation Date - The date on which the violation is alleged to have occurred or started
Description of Violation - A description of the violation that the company is alleged to have committed. Environmental Penalty orders can include 1 or more violations
Order Date - The date on which the Environmental Penalty order was signed by a Ministry director
Reductions to Amount of Environmental Penalty - The % reduction to the amount of Environmental Penalty resulting from steps taken by the facility to prevent or mitigate the violation and/or for the facility having in place a qualifying environmental management system at the time of the violation. The Director can grant up to a 35% reduction of the gravity portion of the penalty. These reductions are reflected in the Amount of Environmental Penalty showing in the report
Amount of Environmental Penalty - The amount of money that the company is required to submit to the Ministry of the Environment in regard to the violation(s) detailed in the order
Settlement Agreement (Yes/No) - An indication (yes/no) if the Company and the Ministry entered into a settlement agreement
Settlement Agreement Reduction to Penalty - The amount of any reduction to the Environmental Penalty resulting from an agreement that includes a pollution prevention or pollution reduction beyond compliance project
